

## HOOF PRINTS

### IMS IS GOING DIGITAL...

January 13, 2012  
Issue 5

We hope that everyone had a restful and relaxing break and are ready to jump in to 2012.

With the start of 2012 it is our resolution to reduce paper. Therefore we are moving to an electronic version of the Hoof Prints Newsletter. As there are families who do not have internet access a paper copy of the Newsletter, as well as a paper copy of hot lunch and milk order forms will be

available in the office for those who are unable to print forms.

To assist us in this resolution please ensure that the office has your current email address. Should you wish to subscribe to our Newsletter on your own please do so at [www.innisfailmiddle.ca](http://www.innisfailmiddle.ca) scroll to the bottom left side of the page and include your email address and subscribe.

Newsletters will automatically be emailed to you as soon as they are posted on the website.

### REMINDERS FOR THE NEW YEAR

Our policy states that parents must report to the office before going to classrooms. This is in place for safety reasons. If you are not abiding by this policy we ask that you please do so.

If your child is going to be away from school or late please be sure to call

the office. On winter days when busses are not running it is not necessary for parents of BUS STUDENTS to call. It will be assumed that your child is home safe and sound.

Thank you for assisting IMS in your

role on these important issues and helping us to be a safe and caring school.

## Prioritizing health and wellness in our schools

### A message from the Superintendent

The new year brings a renewed focus on supporting health and wellness initiatives in our school communities. Ensuring a healthy physical and social environment in our schools can positively impact student performance and academic achievement, and support our goals to help each of our students reach their full potential.

Chinook's Edge School Division believes so strongly in the priority of promoting healthy lifestyle choices that we have established a

formal policy on Wellness Education. Our Board of Education believes acquiring the knowledge, skills and attitudes necessary to develop healthy habits for life is critical and, therefore, supports a comprehensive school health approach to wellness education. This involves a partnership with Alberta Health Services to provide resources, information and a facilitator to support all facets of wellness through an individualized approach in each of our schools.

Wellness is a balanced state of emotional, intellectual, physical, social and spiritual well-being, and students, staff and parents throughout our division are working together to encourage growth in each of these areas. I thank everyone whose efforts are supporting this Chinook's Edge priority, and I wish all of our school families a happy and healthy new year!
