Meeting called to order at 6:32 pm.

Lisa Jacobs approves the agenda; 2<sup>nd</sup> – Trina Westman

Trina Westman approves the minutes from October 3, 2017; 2<sup>nd</sup> – Melissa Dodd

**BUSINESS ARISING FROM LAST MEETING:**

**Telescope:** The telescope has finally arrived and has been assembled. Once M. Pivert figures out how to work it properly, he will hand it off to Mr. Dale.

**Wish List Results for School Survey:** Feasible options based on the survey results include:

- Chrome Books – \$307 each or \$11,076.57 for a class set of 30, with cart.
- Wobbly chair - \$100 - \$200
- Standing desk - \$500
- U-tables - \$600 - \$800
- Full set of flexible seating (poufs, benches, etc) - \$6000 (Pieces may be sold individually)
- Basic Outdoor Bench - \$1100
- Café Table and Chairs that may be used indoors or out - \$1200

Lisa Jacobs motions that \$6000.00 be used to purchase a class set of Chrome Books, with cart. 2<sup>nd</sup> – Jena Rice, Motion Carried.

PAC would also like to purchase flexible seating for classrooms and furniture for breakout rooms; however, teachers and Administration must decide which items are most needed. Administration will compile 3 package options at varying price points that PAC will choose between at December's meeting.

PAC will explore other options for outdoor seating. The benches in the school catalog that were used previously are quite expensive and did not hold up well to vandalism. Ley-Anne Mountain's will ask her husband (a metal worker) if there are any better options and if he'd be willing to construct something.

There was approximately \$14,000 in casino funds available. Our next casino is scheduled for fall of 2018, with proceeds expected early 2019, and IMS had some money available in their technology budget to cover partial costs of the Chromebooks.

**NEW BUSINESS:**        **Nothing to Report**

Meeting adjourned at 7:07pm

Next meeting scheduled for December 5, 2017 at 6:30 pm.
