Ensuring the highest levels of safety

A Message from the Superintendent

Everyone in Chinook's Edge works extremely hard to maintain the high standards of safety that has allowed our division to achieve COR (Certificate of Recognition) status for the last four years. Chinook's Edge is one of a small handful of school divisions which has achieved COR status in Alberta, and we are recognized as a provincial leader in ensuring high expectations for safety in all of our schools and departments.

This diligent attention to safety is practiced in every classroom, at every building and on every school ground in our division. Our staff members maintain a strictly itemized safety protocol, and each step plays an important part of this overall priority in Chinook's Edge. We are pursuing optimum safety because we care about the people in our facilities – our students, staff, parents, volunteers and guests – and this priority ensures everyone continues to thrive in our safe and caring schools.

Band Camp!

Our students attended band camp at Camp Evergreen on April 6.

We did many fun team building activities, including archery and climbing, and we honed our musical skills through rehearsals and workshops. Students are looking forward to returning next year!

Band Tour!

Several of our band students were involved in the Senior High Band tour that occurred from April 15-18. We had a great time entertaining crowds in the park, bowling, seeing some amazing concerts and working with the local high school in Banff. Looking forward to future adventures!

Festival!

Both our beginner, conducted by Mrs. Grant, and concert band, conducted by Mr. Bushell, attended Festival on May 16 at Red Deer College. These groups both played well and received marks of Good. We were in the middle of the marking scheme showing that we are on the right track. Our adjudicator worked with the groups on our performance and made suggestions for how we can sound even better! Thank you to the parents who came along to make this trip possible!

Final Concert!

Our final concert this year will be held in the IMS gym on Wednesday, June 8 starting with our required meeting for all band parents at 6:45. We will be having a performance from all bands followed by an awards ceremony. Please plan to attend and bring a donation for the food bank
