HOT

LUNCH

March Orders are due Feb. 14

YEARBOOK

Order you 2019-2020 Yearbooks now! You can order yearbooks for \$25 through online payments in the same area as you order hot lunches. The deadline to order is February 21, 2020.

From The Principal's Desk

Good afternoon IMS parents,

Well, we are just over halfway through another school year and it sure has been some nice weather since that cold snap in January. It is great to get the kids out in the fresh air throughout the day as they come in refreshed and ready for more learning.

A big congratulations to our CENAA (Chinook's Edge North Athletic Association) basketball teams. We run a joint team with the high school to enter this league and the girls and the boys teams have had a terrific season! Thanks to Mr. Walsh and Mrs. Chadwick for volunteering their time to coach. If any parents or community members are interested in coaching we encourage them to contact us, Mr. Adams is the athletics coordinator and would love to hear from you!

As a staff, we recently took the time to go over our plans to see where we are at as we work with your children through the Alberta Curriculum. We are happy to say we are on track in all of our homerooms!

On a different note, we were notified this week that our big beautiful trees are nearing the end of their life cycle and it is time for them to be removed. The maintenance team from Chinook's Edge manages the grounds for all our schools and will be working next week to remove our trees. It will certainly change the look of our football field.

Enjoy the winter break, I hope you get a chance to get away or just get the chance to hang out with your child. Hopefully, the warm weather persists for you and your child to enjoy the outdoors!

Take care,
Clark Peters
Principal

BRONCOS
