Acapella Rehearsal will be held on Tuesdays from 3:30–5:30 in the band room.

A message from the Superintendent

Building strong values into our work with students

In Chinook's Edge, we built our mission statement on core values that inform our work, guide our relationships, and impact the potential of each student as an individual. Our team of teachers and school staff are keen to engage our students in the learning process, because we believe our students are capable of rising to new challenges and accomplishing great things. And they continually prove us right!

Our Mission and Vision statements are present in every classroom in Chinook's Edge, as a reminder to our students of the steadfast values that guide our efforts. We recognize the uniqueness of every child in our care and, through our focus on relationships and on the values that shape character, we encourage each one to achieve success.

Mission:

Chinook's Edge School Division will engage every student in meaningful learning by challenging, encouraging and believing in them.

Vision:

Chinook's Edge School Division will be universally recognized as a collaborative learning community where learning is personalized for all students to achieve success as compassionate and innovative global citizens.
